#### WITHDRAWAL/DROP POLICY

Students are responsible for completion of all steps required to withdraw from a class. When students miss deadlines, policies apply that may penalize them. When students register for classes, they have entered into a contractual agreement and are obligated to pay Georgia Military College for any courses on that contract at the time of registration. After students have registered, they must complete a change in registration form to remove/change that contract. After the drop/add period ends, students may only withdraw from class and are financially responsible for that class. Collection fees may be applied to all outstanding balances.

#### IMPORTANT INFORMATION ABOUT ATTENDANCE

Students who do not attend classes and who fail to drop their classes within the Drop/Add period will receive the grade of "WF" for non-attendance and will lose any financial aid posted for the term.

A valid driver's license, tag receipt, and proof of insurance must be presented at Building 3202 at the Main Gate. #### DEFINITION OF BLENDED COURSES

A blended course is a course that blends the classroom experience of a traditional course with the schedule flexibility of an online course, allowing a student to enjoy the benefits of both. Blended courses can be a great benefit to some students, others are better off avoiding them. Continue reading to find out if you are ready to take a blended course!

Students will attend class during the scheduled class times. Students should understand that many assignments are due on non-meeting days throughout the term.

Instructors will use the current gmconline.edu or the New GMCOonline at <http://gmc.mrooms3.net> for class instruction, assignments, class discussions, etc. for the course as well as to track absences and grades. Students not familiar with GMCOonline, are encouraged to seek out tutoring in one of the computer labs on campus.
